**OCTOBER 2025**

***“And don’t forget to do good and to share with those in need. These are the sacrifices that please GOD.”***

**Hebrews 13:16 NLT**

After many years of waiting for GOD to open the door for a visit, Mike Humble and Larry Richey went to Haiti in September. The visit was to see the orphan children Agape cares for at the HOUSE OF LOVE in northern Haiti. As you can imagine, they found the house we lease in need of many things that you and I take for granted. Haiti has little to no electricity in most areas and our home had no electricity. This meant no lights, no cook stove, no refrigerator. The little ones had been going without these things that you and I see as everyday essentials.

With the donations that Agape received for Haiti Missions, Mike and Larry were able to purchase six 400 watt solar panels, an inverter, a charger and batteries to give the home electricity. After the purchase of the solar system, enough money was leftover to purchase an outside security light for the front porch, a cook stove with propane tank, and five floor fans. A refrigerator will be purchased soon.

## HOUSE OF LOVE IN HAITI

**In September, Mike Humble & Larry Richey were able to return to Haiti to visit our children in the House of Love. The smile on Mike’s face says it all. He is so happy to be back on the mission field and loving on the children.**

# BURDEN BEARERS CHAPLAINS: LOGAN AND TODD COUNTIES

Mike Humble blessing the *Baby Blessing Box*.

Burden Bearer Chaplains serve all the First Responders in the counties of Logan, Todd, & Nelson County. One such opportunity to serve was blessing the *Baby Blessing Box* that was recently installed at the Russellville Fire Department. The *Baby Blessing Box* is part of a state wide program to give new parents an option to place the baby in the blessing box without any questions asked. An alarm goes off in a few seconds of the door being shut and First Responders are notified that a baby is in the box.

**Did you Know:** As of October 8th, Logan County Chaplains have responded to 92 call outs for 2025 and Todd County Chaplains have responded to 54 call outs for 2025.

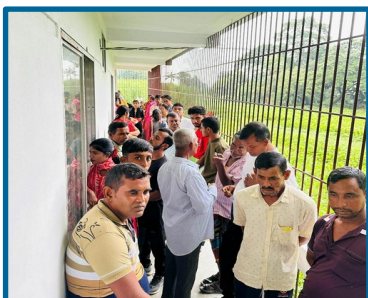

## BANGLADESH

One of our Humble Home girls, Bina, is in need of an eye injection for a condition called Keratoconus. The cornea of her right eye is cone-shaped and is causing very blurred vision, and sensitivity to light. The injection to help with this condition costs \$300. It is the only thing the Ophthalmologist in Dhaka can do for her at this stage of the disease. Would you help us with the cost of this injection so she can see better?

Near the Humble Home a Free Clinic was held. The doctor at the Free Clinic is an Ear, Nose & Throat Specialist. He is also a Missionary and was able to give away 200 Bibles as he was seeing the patients.

Three of Michael Humble's children were recently baptized at the Red River in Logan County. What a blessing for Great-Grandfather Mike, Grandfather Brian, & Dad Michael, to baptize Madi, Judah, and Kiera Humble.
